HOW TO SUPPORT MASIKHULE

APPEAL FOR FUNDING

We all know how important proper nutrition is for a growing child. In an effort to address and prevent malnutrition at the Masikhule-mentored ECD centres we have, under the guidance of a registered Dietitian, developed a Best Nutrition Programme to ensure the children at these centres have an optimal nutritional base from which to grow, develop and learn. However, despite our workshop this month not yet attracting funding, we felt we had to go ahead with it.

If you/your company would like to contribute or to receive a proposal with regards to funding this essential programme, please email info@masikhule.org.

The impact of this practical workshop is huge and is carefully monitored - plus we can offer a Section 18A tax certificate for any funds donated.

For more information about this:
IMPORTANT NOTICE FOR BUSINESS

Important notice to corporates and business with regards to BBBEE and SED points as well as tax deductible donations:
http://www.wylie.co.za/…/non-profit-organisations-and-b-bb…/

As Masikhule has an annual revenue of less than R10m, we qualify as exempted micro-enterprises ("EME") and as a Level-one contributor (our beneficiaries are 100% Black women), have a B-BBEE recognition level of 135%. (Our affidavit is available on request). The full value of SED contributions can thus be counted for BEE purposes.

Masikhule has PBO and Section 18A status so we can issue tax-deductible receipts to our donors.

To contribute to the work Masikhule does and gain the above benefits, please email info@masikhule.org today.
