■ **Right:** Masikhule's Cast On 4 Kids celebrated Mandela Day at Erinvale Hotel, and expressed thanks to the various groups and individuals who supported them with heaps of beanies, blankets and beanbags. These are being distributed to children under six in the Early Learning Centres (ELC) that Masikhule mentors in the marginalised communities of the Helderberg. Masikhule again hosted its annual Mandela Day initiative, Cast-on 4 Kids, at Erinvale Hotel on Thursday 18 July. The organisation thanked the venue for again hosting them, as well as various groups and individuals who supported the cause with heaps of beanies, blankets and beanbags – all crafted with love and care. The goods will be distributed to children under six years in the early learning centres that Masikhule mentors in the marginalised communities of the Helderberg.
