

MASIKHULE CARES

WE NEED YOUR HELP PLEASE!

We work with over **70** community-based ECD (Early Childhood Development) Centres within the Helderberg basin. More than **200** ECD practitioners and over **2 000** children (baby to 5 years) are hoping that these ECD centres will be able to re-open their doors once their lockdown is lifted – **but**, to comply they will need many, costly resources.
