we still need your help!

The community-based Early Childhood Development (ECD) Centres we work with, and who provide for thousands of vulnerable children, have different needs this year.

Please assist us with our 2020 collection items:

- \* Soap, sanitiser, cloths, children's masks, roller towel
- \* Educational resources e.g. jumbo crayons, paper, glue sticks
- \* Fleece blankets
- \* Knitted beanies (2 - 6 years)

(Any knitted blankets will be donated to the staff of the ECD centres.)
